

Message to Parents/Guardians

June 2023

Congratulations!

Your e3 scholar has qualified for **AP World History: Modern** for 2023-2024. This is a challenging course offering academic rigor and college-level exposure. AP World History at e3 Civic High is approved by the [College Board](#). Please take some time to explore the College Board website.

Benefits to taking AP

- Stand out on college applications. AP courses on a scholar’s transcript show that they have challenged themselves with the most rigorous courses available to them. Success on an AP Exam shows that they’re ready for college-level coursework.
- Earn college credit and/or skip introductory courses in college. Most four-year colleges and universities in the United States—as well as many institutions in more than 100 other countries—grant scholars credit, placement, or both for qualifying AP Exam scores. [Search credit policies by college](#).
- Scholars who challenge themselves in taking AP typically excel in the following:

<input type="checkbox"/> Writing Skills	<input type="checkbox"/> Study Skills	<input type="checkbox"/> Organization	<input type="checkbox"/> Self-Confidence

2023 Summer Packet

Your scholar will have the opportunity in getting a head start for AP by completing a Summer Packet. Although this is not a mandatory requirement, it is strongly suggested that the packet be completed for Extra Credit. In doing so, your scholar will review important concepts and material needed for the entire school year. Summer Packets can be picked up at e3; more information will be emailed to your scholar this week.

Parent/Guardian Orientation

Success in this class requires a strong work ethic and a year commitment; **parent/guardian support is important**. There will be a parent orientation during Back to School night scheduled in August 2023 to further discuss the nature and scope of the entire course. If you have any questions or concerns beforehand, please contact me at your best convenience.
