

SENIOR WILLS

Senior Wills are a way to pay tribute to friendships and memories from 4 years of high school (or 12 years at HTH).

You will read what you wrote today 5, 10, 30 years from now! Graduating seniors "commemorate" or "celebrate" aspects of your personality and experiences. Include funny observations, advice, heartfelt appreciation for friendships and/or school memories. To be pasted and kept in your YEARBOOK - **FOREVER & EVER!**
